## SUMMARY

While working as a BIM Modeler I was introduced to programming by a close friend. I was officially hooked after I produced the words “Hello World” in the console of my first application. Programming has been an engaging challenging activity that allows me to continually learn and improve my skills. Below you will find projects I’ve completed that showcase my skills and general background.

## SKILLS

Node.js, JavaScript, jQuery, MySQL, AJAX, Express, Mongoose, MongoDB, HTML5, CSS, Bootstrap
